

## ***HFEE PICKS THE WINNER OF A MERCEDES!***

On Tuesday evening, March 10<sup>th</sup>, the Holmdel Foundation for Educational Excellence held its Raffle for a new 2009 Mercedes Benz. The lucky winner of the Mercedes was Jim Holt of Holmdel, New Jersey. Jim has lived in Holmdel since 2001. He has never had any children in the district, yet understands the value of an excellent education. When Vicki Entwistle called Mr. Holt from the reception to give him the exciting news, he told Vicki that hers was the nicest phone call that he had received in a very long time. Jim picked out a black Mercedes from Manhattan Mercedes on Thursday, March 12<sup>th</sup>. Jim said, "If the HFEE ever runs another raffle, make sure to call me!"

The Foundation would like to thank the community of Holmdel, the administration and teachers who have so generously supported the Foundation over the last thirteen years. Without them, the car raffle could not have been as successful as it was. To the Foundation's consistent supporters, your generosity has done so much to enhance the education of the students of the Holmdel School District. The trustees of the Foundation were so excited to have welcomed so many new supporters through this raffle. Your contributions will give "our children" the opportunity to participate in many programs that would not have been possible without your generosity. The Foundation is fortunate to have such a wonderful "team" helping continue the commitment to excellence for the children of Holmdel. Thank you again for your continued support!
