

Holmdel Foundation for Educational Excellence Our Mission Statement

Creation:

The Holmdel Foundation for Educational Excellence was founded in 1996 to bring private funding to Holmdel Public Schools. The Foundation's goal is to enhance the educational experience of each and every public school student by fostering innovative programs in the areas of Academics, Athletics, and the Arts, and providing funds for the purchase of equipment and other materials used in these programs. The Foundation also enables faculty members to undertake a number of unique classroom projects at all grade levels by awarding numerous classroom grants.

Organization:

The Foundation is governed by a twenty-five member volunteer Board of Trustees which is separate from that of the School District. The Holmdel Superintendent, the President of the Board of Education, and a representative from each of the four Holmdel schools are permanent Board Trustees. These permanent positions ensure that the Holmdel Foundation for Educational Excellence continues to make appropriate decisions that complement the school districts efforts.

Investing in the Future through Fundraising:

Dedicated to enhancing our school district, our community has continuously shown their support through a number of different fundraising efforts. These include our Annual Giving Campaign, our biennial Dinner Dance, and our biennial Raffle Extravaganza. The Annual Giving Campaign is a wonderful way to show your support. In October, all community members receive a letter asking for monetary donations. You can now make your contribution any time during the year with our secure site.

If you plan for a decade, plant trees. If you plan for a century, teach the children.
