

Dear Parents,

As you may be already aware, we have instituted Readers Workshop in grades 1-6 this year. This literacy initiative is based on the Teachers College model which has been utilized in schools and districts around the world for 25 years. We are fortunate to have Teachers College trainers at Village and Indian Hill schools to train our teachers in the format and to help us with planning and assessment using best practices.

As a parent, you may wish to learn more about Readers Workshop so you can better understand and assist your child through the years. Teachers College offers parent workshops to meet that need. Please visit the site, via the link below, to find out more about these offerings.

Working together, we can really make a difference for our students.
