Dear Parents,

As a result of some concerns regarding the size of bags permitted to be carried in the hallways and classes, we thought it best to select a universal bag that all students can use when transporting their belongings from class to class. The school has purchased Nike draw string bags that will be made available to all students to purchase before and after school and during the lunch periods. The price of the bag will be \$10 and they will be sold in the main office.

Please be aware that although these bags are not mandatory, if your child wishes to carry a bag to class, this is now the required bag. If your child already has a draw string bag similar to this one, we are not requiring them to purchase another one. We will be selling these bags all this week and next week during lunch.

We thank you for your cooperation regarding this matter.

Sincerely,

Lisa Marino
Assistant Principal, W.R. Satz School
