RE: Road Construction Update

As per Holmdel Police Safety Officer Sgt. Ken McGowan, there should be no major road delays for the opening of school on Wednesday, September 5, 2007.

On Route 520, there will only be one lane open in the vicinity of McCampbell Road. There will be police officers helping to keep the traffic moving. Unfortunately, this inconvenience will last until the middle of November.

Additional detours will be in place on Middletown & Stillwell Roads intersecting at McCampbell Road until further notice. Everett Road southbound is detoured at American Way. Everett Road northbound is detoured at McCampbell Road.

Sgt. McGowan does not feel that this will have any impact on the transportation to and from the Holmdel Township Public Schools. Sgt. McGowan has told me that the police department will be doing everything possible to keep the traffic flowing to ensure that our school buses will arrive to their destinations on time.

All school bus drivers including the contractors, have been notified as to the detours in town and will do everything they can to ensure the safety of our students to and from school in a timely fashion.

Your patience and understanding is greatly appreciated.

C: Barbara Duncan, Superintendent of Schools
Michael Petrizzo, Business Administrator/Board Secretary
Bill Balicki, Director of Plant Operations and Maintenance
