

Dear Parents/Guardians,

The safety of your children is paramount; it is our #1 concern. The Transportation Department is taking the following actions to remedy all concerns and issues at hand:

- All Village routes have been rerouted to ensure a safe and timely transport for your child. Any additional issues have been resolved.
- Students in grades K thru 3 will be riding the same bus to and from Village School.
- Grades K AM and K PM are the only grades at Village School with two different buses.
- New bus information will be reissued to Village School. Please check your child's backpack on Friday.
- The new routes will start on Monday, September 17. Our drivers will be conducting dry runs of all routes prior to the changes being instituted.
- The one Indian Hill run is now resolved.
- All non-public school issues are in the process of being addressed.

Thank you for your patience and cooperation.
